## St John Fisher Catholic Primary School

### Sun Protection Policy

At St John Fisher Catholic Primary school we want staff and pupils to enjoy the sun safely. We will work with staff, pupils and parents to achieve this through:

Education - these measures are in place from now on:

- We will talk about how to be SunSmart in assemblies at the start of the summer term.
- Parents and guardians will be sent a letter explaining what the school is doing about sun protection and how they can help at the beginning of the summer term.

Protection

Shade:

- Trees have been planted on the top field.
- Sun shades are available on the fields and in seating areas.
- Shaded seating area has been constructed on the top field.

Timetabling:

- In extreme conditions teachers are asked not to extend their PE lessons.
- At lunchtime in extreme conditions the children eat their sandwiches indoors to limit the amount of time outdoors.

Clothing

- Children are encouraged to wear hats and cool cotton clothing.

Sunscreen:

- We cannot currently supply sunscreen to all pupils on a daily basis because of cost.
- Sunscreen use will be encouraged on school trips and staff will be provided with extra sunscreen in case children forget their own.
- We will send letters home asking for permission for children to apply sunscreen during the summer months.

Signed:

D. Mooney
