Spring Term 9th April 2020

Dear Parents, Carers and Parishioners,

This week Class Teachers have been busy making contact with each parent just to touch base about how things are and to discuss home learning. If you need any support, please do ask and we will try to help. Keep up the good work with the Home Learning Packs. Try and have a relaxing time over the Easter break. For those who would like to take part in a series of Easter challenges please see below.

Message from Fr Peter (Supply Parish Priest)

Directly in front of me I can see my Christmas crib. It is on my shelf, all year round, to keep me thinking about Jesus's birth. Without reflecting, often, about this fact of faith, we cannot fully appreciate the significance of Easter.

Jesus came to share in our various human experiences of 'ups and downs', joys and sorrows. This is important for us to remember especially during this time of great troubles and worries. A crucifix, given to me by a close friend, travels with me wherever I go. It constantly communicates the comforting message of Holy Week: that Jesus who suffers with us, and gave his life for us, has risen. His resurrection means that he 'walks with us' now -and he always will.

May the Hope the Easter Gospel brings be yours.

God bless you and your family

Fr Peter
