Summer Term: 12th June 2020

Dear Parents, Carers and Parishioners,

I hope that this newsletter finds you and your families safe and well!

This week we welcomed back some of our pupils in Reception, Year 1 and Year 6. It has been lovely to see our children after such a long time. **We intend to offer more places to children in Reception, Year 1 and Year 6 on week beginning Monday 22nd June. If you would like a place for your child in these year groups, please contact the school by the 17th June at the latest.**

Opening to other year groups

This week Gavin Williamson announced that the government was “not able to welcome all primary children back for a full month before the summer”. At the moment it is highly unlikely that we will be opening to other year groups for a sustained period of time, before the end of the summer term. However, we are looking into ways of having some contact with all children prior to the summer. We will keep you updated of any developments.

If you have children that are starting in Reception or Nursery in September, we know that there is a great deal of uncertainty about how this will look in terms of start dates. We are working with the Romero Academy, the Local Authority and the Department for Education to establish a plan for September. As soon as we have more information, we will communicate this with you. Please be rest assured that if you have accepted a place at St John Fisher, this place is secure.

Important information: Communicating with Parents

We are changing our system of how we communicate and take payments from parents for dinners, trips, clubs, SJF Wraparound etc.

No payments should be made in Parentmail from now on, while we transfer to the new system. Any credits and outstanding balances will be transferred to Arbor. Payments will be enabled on Arbor from 29th June, which will give parents time to download the app. in the meantime.

If you have any problems, logging on or seeing your child's details, please email admin.sjf@romeromac.com

Until 29th June we may communicate with you using Parentmail or Arbor, therefore please keep both Apps on your device until this date, when we will transfer completely to Arbor.

Thank you for your support during this time.

Will we continue to keep you updated!

Take care and stay safe!

Mrs D. Williams
