## Nursery News

Week beginning 14th September 2020

This week we welcomed the first group of our Nursery children into the Nursery – and we just wanted to say what an amazing first week they have had! We have already been so busy learning and exploring our new setting. We have played inside with the Numeracy resources, in the home corner and building in construction, explored outside doing mark marking, on the slide and riding the bikes, and learnt about our new school including how to make the sign of the Cross and one of our Morning Prayers. All the children have settled in so well and made fantastic new friends. We look forward to welcome the rest of the children next week to come and join our Nursery family!

If your child attends nursery all day Monday-Friday with the 30 hour funding, as included in the Admissions Policy we will require a payment to cover the lunch hour. This will be invoiced at the end of each month, at £4.00 per hour, (£20.00 per week) on Arbor, (under 'trips'). If your child has a school meal, the charge will be £2.22 and will show on Arbor. You will need to make regular top up payments on Arbor.

If you do not attend Monday to Friday and your total hours are 30 or less, then no lunch hour payment will be required as it will be included in your funded hours.

Photograph permission forms will need to be completed and returned ASAP to the School Office or the nursery.
